Terms and Conditions of IVHQ

Registration and Program Fees

Version 7.0

This document summarizes the terms and conditions applicable to IVHQ's Registration Fees and Programs Fees. By submitting your application, you confirm your acceptance of, and agree to be bound by the following IVHQ Terms and Conditions:

Definitions

- All prices referenced are in US dollars.
- All timing referred to in these terms and conditions is based on New Zealand standard time.
- 'IVHQ' refers to International Volunteer HQ.
- 'Volunteer' refers to the customer of IVHQ who has applied to participate in a volunteer program.
- 'Group' refers to eight or more volunteers who apply to participate in a volunteer program together as a group instead of applying individually.
- 'Independent Local Team' refers to the local coordinator who facilitates the volunteer program in the chosen country.
- The 'IVHQ website' refers to www.volunteerhq.org.

Standard Terms Applicable To All Applicants

- Individual volunteers may choose between three Registration Fee pricing Options: Base, Smart and Flexi. The terms and conditions in respect of these options are defined below.
- Groups of eight or more volunteers that require support from IVHQ's Group Support team must select the Group Registration Fee option, which will apply to all volunteers participating in that group. Managed Groups are subject to **IVHQ's Terms and Conditions for Managed Groups**.
- Certain IVHQ programs have different cancellation fees to those set out below. These are detailed on the relevant program pages on the IVHQ website.
- If a volunteer has paid their Program Fee and then changes to a different

program with a lower Program Fee, no refund will be given. If the volunteer changes to a program with a higher Program Fee, the volunteer will be required to pay the difference.

- Requests for cancellations, refunds or other changes to your program must be made via an email to your IVHQ Program Manager or through the MyIVHQ platform and are considered at IVHQ's discretion, clearly detailing the reasons for the cancellation, refund or change. Once a volunteer's cancellation or refund request has been received by IVHQ, they will be notified via email or through the MyIVHQ platform. If no confirmation is received within three working days, the volunteer should assume that the request has not been received and is advised to contact his or her IVHQ Program Manager again.
- No Program Fee refunds or credits will be given once the program start date has passed as the Program Fee will have already been sent to the Independent Local Team to cover in-country services. At this stage, any change to the program and any refund or credit requests must be directed to the Independent Local Team and will be considered at their discretion.
- Payments for add-ons and international banking transaction fees are non-refundable in all circumstances.
- Payments made using a credit can only be refunded as a credit (where eligible). No cash refunds will be made for payments made with a credit.
- No refunds will be paid to any volunteer who has been provided with a program participation verification letter for the purpose of fundraising, applying for a visa, or obtaining an academic credit.
- Only one discount, referral code, or promotion code may be applied to each Registration Fee. Discounts are not accumulative, so if the volunteer is entitled to more than one discount, only the higher value discount will be applied. All discounts are applied to the standard non-discounted price.
